

WE HAVE A SOLUTION FOR THAT.

GBS RECEIVES CERTIFICATE OF MERIT AWARD FROM DENSO MANUFACTURING

GBS has received the Certificate of Merit Award from the Electronic Division of Denso Manufacturing Tennessee, Inc.

“We are very pleased to receive this prestigious rating from our partners at Denso Manufacturing,” said Nick Kitsonas, Executive Vice President. “This recognition is given for demonstrating exceptional performance in quality, service, and innovation. This Certificate of Merit award further solidifies the strategic partnership between GBS and Denso Manufacturing.”

Posting this achievement on Denso’s company website provides the potential opportunities to partner with other Denso manufacturing locations and expand our existing label program. GBS currently provides Denso with a wide array of automotive nameplate labels and a just-in-time delivery program.

GBS Corp is headquartered in North Canton, Ohio. GBS has been providing technology, labeling, filing, and document management solutions since 1971. GBS provides products and services that help our customers create, manage, retrieve, and deliver information to achieve greater profitability, faster growth, and tangible results for their customers. Additional GBS sites are located in Florida, Michigan, and Texas.
